

## Deceitful Spirit

Every day we come across people destroying themselves for trivial things; that look good, but are false and treacherous, reaching the point of praising us and when we leave their presence they start making nasty comments about us.

They don't want to act like that; but they end up yielding, in view of the strong influence of demons that stuns mankind; so that they ignore the existence of these evil spirits.

Ephesians 6:12

Because we do not have to fight against flesh and blood, but against principalities, against powers, against princes of darkness, of this age, against spiritual hosts of wickedness in heavenly places.

If each of us assumes what we really are, we will find that there is something wrong with an agent; and from that moment we will have the opportunity to correct ourselves before God. Realize that there is a diabolical spirit world conspiring against our lives, for everything to go wrong. But, we must seek redemption in God through Jesus Christ.

Proverbs 28:13

He who covers up his transgressions will never prosper; but what you confess and forsake will gain mercy.

We have to evolve as a person, and consequently grow spiritually; knowing that the secret to growth is to have an intimate fellowship with the Lord God. However, we cannot fail to note that many even attempt this growth; but, they fail and immediately create a timely excuse.

Apology is the child of man's imagination; stands for what the mind desires.

Job 9:20

If I justify myself, my mouth will condemn me; if it's perfect, then she'll declare me perverse.

It's too easy to be a bad person, and too simple to do evil, which is why the apostle Paul made the following quote

Romans 7:19-20

19 – Because I don't do the good I want, but the evil I don't want, this one does.

20 – Now, if I do what I don't want, I no longer do it, but the sin that dwells in me.

On the other hand, being a good person is very difficult, because we have the inclination of the flesh that leads us to do wrong things. So, we must do an inner self-reflection, and start judging our actions, and start interacting with reality, to change our attitudes, repressing sin and allowing the Holy Spirit to work in our lives.

Romans 14:13

As soon as we no longer judge each other, rather our purpose is your purpose not to stumble or scandalize the brother.

May our days on the face of the earth be for glorification of the Lord God, and we may offer many fruits of repentance.
