

Desire for change

Note that when something goes wrong in our material life, immediately comes the desire to change. What should be applied also in the spiritual sphere.

I'm afraid that analyze how is our communion with God, if you really feel the salvation. This is the first change that must happen; being through true repentance.

Lucas 13:3

I say no!

But, if you don't repent, all you shall perish.

Repentance is the beginning of a path to heaven. But the biggest problem we face in the current context is that many spend their whole life in a church without any inner change, practicing all kinds of sins. Let's look at a verse that configures a true repentance and change of life.

II Corinthians 5:17

Therefore, if anyone is in Christ, he is a new creature. Old things have passed, behold all things are become new.

Has a Turkish proverb which CITES:

"No matter how far you have walked the wrong way, go back!".

The sinful man has to understand. "It's not because I missed that should continue in the same situation". Err is the man; sinning is human nature. But remain in sin is pure ignorance.

The acts of the Apostles Book presents a rich recommendation.

Acts 3:10

Repent therefore and be converted, so that your sins are erased, so the times of refreshment by the presence of the Lord.

The biggest aggravation of mankind is that the man does not wish the presence of God in your life, and that has consequences for eternal life.

However, when someone acknowledges your situation of depravity in sin and accept Jesus as Saviour; automatically admits that was to have changed a long time ago.

When I talk about change, I'm referring to a spiritual transformation and repentance for sins committed. Because when we neglect the faith, we were covered for the mysteries of God.

II Corinthians 3:18

And all of us with the discovery we contemplate the glory of the Lord, according to your image we are being transformed with ever-increasing glory, which comes from the Lord who is the spirit.

We must reflect on all our attitudes, not to come to fall into sinful contradictions. And Yes, we approach God in spirit and truth, receiving the gifts that He has prepared from the beginning of creation; forgetting of things that are old and made us lose fellowship with what is holy.

Finally, let's look at a verse in the book of the Prophet Isaiah.
Isaiah 43:18-19

18-Not you, ye of things past, or maintain the old ones.
19-Behold, do something new, now will come out in the light; perchance don't you understand?

I am making a way in the desert and river to wilderness.

May the Lord Jesus bless you, rich and abundantly.
