

Need of man

When we talk about need of the human being, coming soon to our mind the lack of bread, jobs, clothes and other key elements for the existence. However, the biggest shortcoming of the present day is the lack of God, because it should come first in the projects of the man. But He is being scorned to be part of the families in the 21st century. So we found in the Holy Bible a great recommendation of the Apostle Paul.

Romans 14:17

Because the Kingdom of God is not food and drink, but righteousness and peace and joy in the spirit.

We have to get him in all situations, and make it the primacy of our projects; because a person can be supplied power, comfort and material things. But, if you're out, I'm sure there's an emptiness deep in your soul.

Let's see a great quote that the Evangelist Matthew wrote, being the same coming of Jesus.

Matthew 6:33

Jesus said, seek ye therefore, firstly the Kingdom of God to your righteousness, and all these things shall be added.

The vector of human life has to be God (vector is that to prove; takes; directs), and when the human being is based on this parameter starts good things happen.

The biggest problem is that humanity ceased to trust in the Lord, to give credit to another man, the religious mysticism, social position and why not say: the power of your own arm.

Deuteronomy 8:17-18

17 — and say in your heart: my strength, and my fortress of my hand, I acquired this power.

18 – remember the Lord your God, he is to give you strength to acquire riches to confirm your Alliance, who swore to your fathers, as seen on this day.

Since the beginning of the creation the man has forgotten God; preferring to listen the lie of the devil.

Then comes:

- Disease;
- Sadness;
- Death;

Then the man is spiritual hunger and thirst.

Amos 8:11

Behold, he is coming the day Diaz the Lord, where I will send a famine on the land; not just the hunger for food, nor the thirst for water; but the hunger and thirst of feed on the word of the Lord.

The absence of God in a person's life can cause many negative things. That is why we should pick you up in how much time.

Isaias 55:6

Seek ye the Lord while he can find, and call upon him while he is near.

That God bless you richly and abundantly.
