

Subject to Sin

Today we are living in imminent danger of sins, bearing in mind the pitfalls that surrounds all humanity and that expose the be human do to all. However, the greatest risk and to know that all are subject to die and no one knows the day or the hour.

Throughout this small study we will see some aggravating that are villains; or tools in the hands of the devil that can make anybody miss in front of God.

First Neglects -"stop listening to the word of God".

We are inspired by the Holy Spirit and lead us to true repentance to accept Jesus Christ as the sole and sufficient Savior.

Romans 8:14-15-16

14-Yes, all who are led by the spirit of God are sons of God.

15-Because you did not receive the spirit of slavery, to live again, awed, but receive the spirit of adoption, based on which we cry out tab, Dad.

16-the spirit himself testifies with our that we are children of God.

Now it's clear why the unbelievers do not have the assurance of salvation, and when we talk about God they get irritated. Unfortunately because the spirit of them testifies.

If the spirit of God is in the first place, there is no danger to the practice of sin.

Second Neglects -"Don't give credits to the sacrifice of Jesus".

The propitiatory sacrifice of Jesus Christ, is very popular in Holy week (for the Roman Catholic Church), then comes the silence for another year and mankind lives as if God did not exist. We have to highlight and to love the sacrifice the Lord granted in favor of all sinners and above all put the gratitude in practice as a sign of repentance. The blood of Jesus was shed in favor of all and there is no erasing that Heavenly Alliance.

Romans 5:8

But God proves your love for us by having Christ died for us while we were yet sinners.

Another wonderful verse:

I epistle of John 1:7

If, however, we walk in the light as he is in the light, we have fellowship with one another, and the blood of Jesus, your Son cleanseth us from all sin.

The victory of the sinners is in those two nouns, that Jesus granted:
1-sacrifice;

We have to respect and even be sympathetic with the pain and humiliation of Christ in our favor, and never be indifferent to the sacrifice that brought us the well with the certainty of an eternity next to God, in heaven.

Third Neglect -"Don't read the Holy Bible". A strong ally that man has to fight sin is the knowledge of the word of God. That is: the affinity with the biblical reading promotes spiritual enlightenment and communion with the Lord.

Note that the 21st century man, seeking knowledge in:

1-Books;

2-University;

3-Internet;

4-Ancient Wisdom and etc.

Most of the time leave aside the true wonder that can be found in the word of God. There is no sin in the University or secular knowledge; Surely you can make excellent be is added to what the Bible shows; Since we are spiritual beings (we have spirit), and one day we will die, leaving only the provision to tell of our works before God. We should not put the human inventions above the knowledge of the Lord.

Romans 1:25

Because they changed the truth of God in lies, worshipping and serving the creature rather than the Creator, who is blessed forever. Amen!

We shall seek secular knowledge; but, God has to be the priority in our life.

Isaiah 34:16

Seek in the book of the Lord and lede; None of these creatures will fail: Because the mouth of the Lord commanded, and your Spirit will gather them.

Note that many preachers adorn their sermons with things they don't have in the Bible. Show more the philosophies that the word itself; and that's not good for those who want to receive salvation in Jesus Christ.

I Corinthians 2:1-2

01-I, brethren, when I came to you, announcing to you the testimony of God, I didn't do it with panache or wisdom.

02-Why I decided nothing know each other, but to Jesus Christ and this crucified.

And in verse 04, he went beyond.

I Corinthians 2:4

My Word and my preaching is not persuasive language human, but in determining the spirit of power.

We realize that the power of God, is not limited to human understanding; only in the Holy Spirit we can discern this great mystery of the Lord for each of those who are obedient to your Word.

Fourth Neglects -Create human recommendation, and try to add the word of God. You can tell it's the fuse or trigger to fall into the traps of Satan and sin. Can be observed in the following situations can be difundias by false religions.

They teach the Gospel;

Fight everything but SIN;

Lead everywhere, except the Kingdom of God.

Let's see what the Bible says:

II Corinthians 3:6

Which dwelt to be Ministers of a new Covenant, not of letters, but the spirit gives life.

Let us not confuse quantity with quality. Just look at a tree laden with fruit bitter; certainly nobody wants to eat these fruits, you can have many; but, are rejected.

Let's see that Jesus mentioned about your Church.

Lucas 12:32

Jesus said: do not be afraid, my little flock, because the father is pleased to give you the Kingdom.

He was emphatic when he put the term "little one" (diminutive), showing that the Church will rise to heaven is small anyway. And is still cited for the second time:

Matthew 22:14

Therefore, many are called, but few chosen.

We must fight against sin, trusting that Jesus Christ is what brings all the virtues to the men, and we have only to persevere in love and obedience to God's Word.
