

## Sure of tomorrow

We faced an era when the challenges and uncertainties plague the human race in a way that is overwhelming and many come to perish during the walk of life. Some lose their jobs, health, peace and even the great love; others manage to great achievements. But both have something in common: "What is this uncertainty". For your time, loss, anxiety; And he who conquers, I also fear that at some point the stuff doesn't work.

However, to fix this disturbance in the soul, the human being must trust God. Knowing he is Regent in all events in the universe; to get it in the small and large shares of visible and invisible sphere.

We have a verse that demonstrates the commitment of the Lord with your creation, and in particular in human society.

### **Jeremiah 1:8**

**Fear not for I am with you to save you, saith the Lord.**

In any situation, God is the answer; Hence the reason that the Psalmist by inspiration of the Holy Spirit, wrote:

### **Salmo 37:5**

**Turn in your way to the Lord, trust him, everything he does.**

Note that God operates relentlessly in the lives of their children to give deliverance and joy in tribulation. However, for that to happen it is necessary to "**deliver**" and "**trust**" that He is sovereign over the cosmos, being above all a refuge in times of affliction.

### **Salmo 118:6**

**The Lord is with me; I will not fear what man can do.**

Then, based on that love and care for the human race, can say: "God is with me."

However, the biggest problem is that the man says trust God, when in fact your sure it's in its own resources on the strength of your arm. Gets to the point of wanting a little help to the Lord, and for the most part, your Brazilian way (with dishonesty).

We have to do as the Psalmist.

### **Salmo 59:9**

**In God you trust in your power, you are my fortress.**

Who wants to be sure of tomorrow, must believe that the Lord is refuge and fortress, and deliver to him those things you can't solve with material resources.

For this reason the Apostle Peter came to make the following quote:

**1 Peter 5:7**

**Casting all your anxieties on him, because he's been taking care of you.**

May the Lord bless you richly and abundantly.
